

# THE KINGPIN

The South St. Paul Jaycees, July 2014

## Support our 2015 State Candidates

**Heather Heim...** Believe & Achieve in 2015! I'm so excited to announce my candidacy for the office of state president of the Minnesota Jaycees in 2015! It's going to be a fun & exciting summer, and I could use all the support I can get. I have an awesome campaign team, but I also need the love & support of you, my home chapter. What can you do?

- LIKE my campaign page on Facebook! And share it with all of your Jaycee friends!

- Travel with me this summer! This is an awesome opportunity for you to visit some really awesome events around the state. Plus, it's always more fun to travel with a big group of friends! (And, I always love a reason to borrow Tony's car - which seats 6-7 people!) Stay tuned to the FB page for travel schedules, or let me know if you'd like to join my campaign email blast to always get the latest info. And, if you plan to road run at all this summer, please let me know so that when I get my campaign shirts, I can give you one.

- Register for Fall All State! This is where elections will occur. It's September 12-14 in Austin. All voting delegates for presidential elections must be fully registered, so start making plans now to take advantage of early registration! Our chapter will get 10 votes, and I'd like to have all 10 votes on the floor, if at all possible. Additionally, I'll need help with a hospitality room as well.

Thank you, South St. Paul for your love & support. Though I've been a SSP member for only a year, I've really been with you since your first days as a chapter. I look forward to an awesome summer!

Good Luck Heather!

**Josh Regan** our current Region 6 Director announced his candidacy for the 2015 Community Development Vice President for the MN Jaycees.

Josh is very passionate about youth sports including Pitch, Hit, and Run and Punt, Pass and Kick. He is hoping to help chapters find their niche into helping in their community.

Good Luck Josh!

Happy  
Birthday!

That faith in God gives meaning and purpose to human life;

That the brotherhood of man  
transcends the sovereignty of nations;

That economic justice can best be won  
by free men through free enterprise;

That government should be of laws rather than of men;

That earth's great treasurer lies in human personality;

And that service to humanity is the best work of life.
