

JCI SOUTH SAINT PAUL IN ACTION

AUGUST 2017 • SSPJAYCEES.ORG • SSPJAYCEES@HOTMAIL.COM

CREED:

We believe...

That faith in God gives meaning and purpose to human life;

That the brotherhood of man transcends the sovereignty of nations;

That economic justice can best be won by free men, through free enterprise;

That government should be of laws rather than of men;

That earth's great treasure lies in human personality;

And that service to humanity is the best work of life.

MISSION:

To provide development opportunities that empower young people to create positive change.

Letter from the President

Dear Fellow Jaycees,

Time sure flies when we're having fun... we're already in the third quarter. We have had fundraisers, community events, and socials. Now it is time for us to refocus our efforts. For the remainder of the year our focus is:

We started the year with 26 members, currently we have 22. So far this year we have only signed ONE new member. **Our goal for the rest of the year is TEN new members.** And remember, there is a recruitment incentive.

**FOR EACH NEW MEMBER SIGNED YOU COULD
RECEIVE \$10 OFF YOUR MEMBERSHIP DUES!**

JCI is a great organization with a lot to offer: professional development, networking, community service, friendships, and so much more!

Feel free to invite your families, friends and co-workers to any of our events so they can get a taste of JCI South St. Paul.

In Jaycee Spirit,
President Kahra

Foundation

Henry Giessenbier founded the Jaycees in 1920 with 3,000 members in St. Louis, Missouri. It was Henry's vision to provide young people with opportunities which they had little or no access to otherwise. He believed that young people could change the world. He was right.

In his era, most young men were out of school and working by the age of 15. Their first jobs were most likely the jobs they held throughout their lives. With luck and hard work, some might reach executive positions by their forties.

Giessenbier felt that young men were not receiving the opportunities necessary to develop their skills at a younger age, thus depriving our nation of an important resource, and so he formed the founding ideals of the U.S. Junior Chamber.

His theory was simple – offer leadership opportunities to young people, giving them hands-on experience through serving the community. That concept has never wavered.
