Hello all! Look out for an email from me about my revised Resolution and Solutions Program! The goals are to set 1 goal per month. So May to December that's 8 goals. For every goal you complete you receive a raffle ticket for our large prize at the end of the year! Complete all eight of your goals and receive a bonus 2 raffle tickets. Get geared up and let's make the rest of this year a productive one! I'll leave you with a quote.

"If you have built castles in the air, your work need not be lost; that is where they should be. Now put the foundations under them." Henry David Thoreau

Community VP- Dan Goossens

We continue to be on our way to CLC this year! There are still many opportunities to run projects that can count toward this. More information will be outlined at our June meeting!

We are doing great with sharing out love of Jaycees by recruiting new members. Just a reminder- if you recruit someone, please give me their dues as soon as you get it. We do have payment plans available also!

Happy
Birthday!
