- ❖ That earth's great treasure lies in human personality;
- ❖ **And that service to humanity is the best work of life.**

Our Mission:

We are a nonprofit organization committed to the growth and development of our members to become the next generation of leaders within the community. Our members are thoroughly engaged and connected to the community through active involvement and volunteerism.

Welcome Incoming President Cerrisa!

JCI South Saint Paul is thrilled to introduce our 2018 President, Cerrisa Howell-Brown. Cerrisa Howell-Brown grew up in South Saint Paul as Cerrisa Shubat. She attended South Saint Paul High School where she met her husband. She is a proud packer alumni, and cares deeply for this community. Cerrisa lives, now, in Inver Grove Heights, and has been a member of JCI South Saint Paul since 2016. Cerrisa has served as JCI South Saint Paul's Management Vice-President in 2016 and 2017. She helped the chapter stay on track and focus on their mission and purpose. Cerrisa works at Ecolab Inc., and has risen to many leadership positions in the company. Cerrisa is very talented and passionate, and we are very excited to have her lead JCI South Saint Paul in 2018! Congratulations President Cerrisa and we are very excited to have your leadership in 2018!

JCI SSP BOOK CLUB:

The first rule of
book club, is to
talk about book
club!

JANUARY 29, 2018

6:30- 8PM at the SSP Library

In November we decided
to read One for the
Money by Janet
Evanovitch.

Unfortunately, we had
to cancel that book club
gathering. We will be
getting together on
January 29th to finally
discuss the book!

Stephanie Plum has lost her job, her car, her marriage
and is about to lose her apartment if she doesn't raise
some cash quick. What's a girl to do? Bond
enforcement, of course. No experience necessary,
especially since her sleazy cousin Vinnie owns the bail
bonds company and can easily be blackmailed.

Plum's first case is to bring in former boyfriend (it ended
very badly) and current police detective Joe Morelli.
Morelli is wanted for murder and is going to be hard to
find. Plum will need help from expert bond enforcement
agent Ranger, a hooker named Lula, and her Grandma
Mazur, who is always on top of the latest Burg gossip.

A letter from our President:

Dear South St. Paul Jaycees and Friends,

I would like to thank all the JCI South St. Paul members on allowing me to serve as your 2018 president. When I joined the jaycees in 2016, I did not know the great friends I would make and the memories I would get to have. I have had the opportunity to be apart of many great projects and activities. Although, we are a small chapter we have shown the state of MN that we can still accomplish great things. I plan for this to continue into 2018. We have seen many of our chapter members grow and become strong leaders. We are lucky to call two state presidents fellow chapter members. I know together we can put anything we set our minds to. We have lots of plans and ideas for 2018, and even with all these plans we will still have a great time.

As I reflect on our JCI creed I am reminded of my favorite quote my Maya Angelou

"Be a rainbow in someone's cloud"

I believe the JCI SSP can do just that within our community and county.

I am looking forward to seeing all we accomplish this year and I hope you are too. Let the journey begin!

Sincerely,
Cerrisa Howell-Brown
2018 President
South St. Paul Jaycees

Try to be
a rainbow
in someone's
cloud.
