Conventions are a time when Jaycees from across the state gather to network, learn, share ideas, and recognize new accomplishments. It is a time to recharge the volunteer battery, and gain knowledge, strength, and energy from fellow members while celebrating each others successes.

Convention Highlights

First Timer Program - ID Competitions - Networking - Awards
State BOD - Hall of Leadership Luncheon - Saturday Dance

Will there be a Breakfast Club? Or maybe someone gets left Home Alone? Regardless of any Weird Science, take your Planes, Trains, and Automobiles to Spring All State Convention and experience Some Kind of Wonderful!

Who was James Putnam? Answering that question may mean salvation for Alexander Rupert, a Minnesota detective whose life is in a serious downward spiral. A Medal of Valor winner, Alexander is now under subpoena by a grand jury on suspicion of corruption. He's been reassigned to the Frauds Unit, where he is shunned by his fellow detectives, and he fears his status-seeking wife may be having an affair. When he happens across a complex case of identity theft, Alexander sees an opportunity to rehabilitate his tattered reputation.

But the case explodes into far more than he could have expected, putting him in the path of trained assassin Drago Basta, a veteran of the Balkan wars who has been searching for "James Putnam" for years. As his life spins out of control, Alexander's last hope may be his older brother, Max, a fellow police detective who steps in to try to save his brother from the carnage his investigation has let loose.

A letter from our President:

Dear South St. Paul Jaycees and Friends,

Lately I have felt like I have had many things to juggle, both at work, and in my personal life. With so much going on I knew I needed to be very organized to ensure that everything got accomplished. I found the below tips very helpful for me.

Make Schedules and Deadlines

Organized people don't waste time. They recognize that keeping things organized goes hand-in-hand with staying productive. They make and keep schedules for the day and week. They make deadlines and set goals.

Don't Procrastinate

The longer you wait to do something, the more difficult it will be to get it done. If you want your life to be less stressful and less demanding, then organize as soon as you can. Putting in the effort to get things done as soon as possible will lift the weight off of you from doing it later.

Give Everything a home

It's easy to get lost if you don't have a home. Keeping your life organized means keeping your things in their proper places. Organized people keep order by storing things properly and by labeling storage spaces.

Delegate Responsibilities

A really organized life is not overfilled with responsibilities, meetings, and deadlines. In fact, it has less because things that create stress have been slowly organized out.

I know some of them seem like common sense, but it is good to have a reminder on how we can be our best selves. We all have lots going on and would love to be able to have more time for our family, our friends, and JCI. I hope these tips help you.

Sincerely,

Cerrisa Howell-Brown
